

Artisans of Flowery Branch

The **Artisans of Flowery Branch** is a community of individual artists whose goal is to foster the appreciation and availability of fine art to the North Georgia area.

Our group possesses a wide range of talent in various visual arts media such as: oil and acrylic paintings; murals; portrait drawings; pastels; watercolors; wood carvings and sculpture. Our group includes both awarding winning artists as well as several individuals with fine art degrees.

Membership is open to anyone with an interest in art. Our monthly meetings are designed around exploring new ideas and techniques, planning and participating in collaborative art shows and, most importantly, enjoying supportive friendships with a group of creative minds.

If you are interested in having our group showcase our works of art at your place of business or to commission our group to create a mural, please contact Sue Palmer.

For more information about joining our group or to inquire about the **Artisans of Flowery Branch**, please contact:
